We are authorized to announce
ROBERT C. GOREY

As a candidate for Representative from
Bourbon County to the next General
Assembly. Election November 6th.

Mr. R. C. Gorey Nominated For Representative.

On last Saturday afternoon the Republican party of Bourbon County slipped into Judge Howard's office and after barricading the doors and pulling down the blinds and lighting the gas, they proceeded to nominate Mr. Robert C. Gorey for Representative to the General Assembly. Mr. Gorey was given a hint of the honor that had been conferred upon him, and after breaking in the door he proceeded to make a speech of acceptance. Bob is generally a fluent and able speaker, but some how or other his speech on this occasion sounded like the last words of a man standing on the gallows. When he said good bye and stepped back every one was in tears at witnessing such a noble sacrifice.

Personally Mr. Gorey is about as strong a man as the Republicans have in their ranks. He is brainy, self-made and withal very popular. His associates like him. About the only thing that can be said against him is that he is a Republican. The Lexington Leader of Sunday says:

"He will go to the next Legislature as the Representative from Bourbon County with the sole and express purpose of repealing the obnoxious election law as at present inscribed upon the statute books of Kentucky."

Mr. Gorey has about as much chance of representing Bourbon County in the next General Assembly as Charley Moore has of getting to Heaven, and it is surprising to us, knowing him as well as we do, that he has concluded to allow himself to be sacrificed to the vain ambitions of a mere handful of politicians.

Bird-Shot For Tiger.

No use to hunt tigers with bird-shot. It doesn't hurt the tiger any and it's awfully risky for you.

Consumption is a tiger among diseases. It is stealthy—but once started it rapidly eats up the flesh and destroys the life. No use to go hunting it with ordinary food and medicine. That's only bird-shot. It still advances. Good heavy charges of Scott's Emulsion will stop the advance. The disease feels that.

Scott's Emulsion makes the body strong to resist. It soothes and toughens the lungs and sustains the strength until the disease wears itself out.
